To

Request for Proposals

Blue Acre Aquaponics Solar System Design and Installation

Effective Monday, December 21, 2020, Sections 1.4 and 1.5 of the Request for Proposals for the design/build for a roof mounted or ground mounted utility-interactive photovoltaic system shall be amended as follows, in order to allow for a two-week extension of the proposal submission date:

Design Build for a Roof Mounted or Ground Mounted Utility-Interactive Photovoltaic System

1. PROJECT INFORMATION

- 1.1. **Project:** Roof Mounted or Ground Mounted Grid Tied PV System for Blue Acre Aquaponic (BAA)
- 1.2. **Location:** 15 Lower Burning Creek, Kermit WV 25674
- 1.3. **Site map:** Included in appendix A, see property layout, boundaries and initial proposed solar panel location. Final location and/or placement of solar panels will be determined through this design and build project.
- 1.4. **Proposal questions:** All questions shall be submitted in writing to MCRA, attention Leasha Johnson, by email at ljohnson@developmingo.com, no later than **Wednesday, December 30, 2020, by 4:00pm**. All questions and answers will be shared publicly.
- 1.5. **Proposal submission:** All proposals shall be submitted no later than **Wednesday, January 6, 2021, by 4:00pm**. Hard copy proposals shall be submitted to MCRA, attention Leasha Johnson, Post Office Box 298, Williamson, WV 25661. Digital copies shall be submitted to Leasha Johnson at ljohnson@developmingo.com.
